

HIPAA-Compliant Medical & Pharmaceutical Courier

Professional transport of medications, lab specimens, and medical supplies for pharmacies, clinical labs, hospitals, and healthcare facilities across Greater Richmond, Virginia. Founded 2023. Standard routes Mon–Fri 7:00am–7:00pm; STAT and on-demand available 24/7.

Core Competencies

- HIPAA-compliant medical & pharmaceutical courier services
- Lab specimen transport with documented chain-of-custody
- STAT / on-demand and scheduled route delivery
- Temperature-controlled and HazMat-trained handling
- Electronic proof-of-delivery and route accountability

Differentiators

- Local Richmond team with a compliance-first culture — a trusted extension of your staff
- Chemotherapy & hazardous-drug safe-handling trained (rare among local couriers)
- Lloyd's of London commercial auto & cargo coverage
- TWIC and TSA PreCheck credentialed for secure-facility access
- Diversity designations: minority-owned; SDVOSB and Virginia SWaM certifications in progress
- "On-time, every time" service standard

Training & Compliance Certifications

- HIPAA / HITECH privacy & security
- OSHA Bloodborne Pathogens (29 CFR 1910.1030)
- DOT HazMat (49 CFR 171–180)
- Specimen Integrity & Transportation · Exposure Control · Spill & Incident Reporting
- Chemotherapy & Hazardous-Drug Safe Handling
