

SWaM Certification — CSL's Single Highest-Leverage Move

Virginia agencies can SET ASIDE purchases between \$10,000 and \$100,000 for SWaM-certified businesses (micro-business set-asides below \$10,000). Same-day courier is NOT on any statewide contract, so agencies like VCU, DGS/DCLS, VDH, and the City of Richmond buy it ad hoc in exactly that band. Until CSL is certified, it is invisible to those set-aside buyers. Certification is FREE.

Where to apply

1. Go to the Virginia Department of Small Business & Supplier Diversity (SBSD): sbsd.virginia.gov → Certification → SWaM Certification → apply through the online certification portal (create an account with Info@trustcsl.com).
2. Certify under every category CSL qualifies for: **Small Business + Minority-Owned**. Also pursue the **Service-Disabled Veteran-Owned** category — Virginia recognizes SDV businesses within SWaM (federal SDVOSB verification through SBA VetCert strengthens it; that's a separate, also-free application at veterans.certify.sba.gov).
3. Processing typically takes up to ~60 days. Respond fast to any SBSD email asking for corrections — that's the usual delay.
4. PROOF: the SWaM certificate + certification number, and CSL's listing in the public SWaM vendor directory. Add the number to the eVA profile, the capability statement, and the website compliance page.

Document checklist — gather before starting

☐	Articles of Organization / LLC formation documents (Virginia SCC)
☐	Operating agreement showing Darren Lewis's ownership percentage (must be 51%+ for minority/veteran categories)
☐	EIN letter (IRS CP 575) — federal tax ID
☐	Most recent federal business tax return (or personal return with Schedule C if first year not yet filed)
☐	Owner's driver's license / proof of identity
☐	Proof of veteran status + service-connected disability rating letter (VA) — for the SDV category
☐	Business licenses and USDOT registration
☐	Résumé or bio for Darren Lewis
☐	Bank signature card or similar showing owner control of finances
☐	Lease / proof of Virginia principal place of business

After certification — turn it on immediately

- Update the eVA vendor profile so SWaM status shows on every quote and search.
- Email the capability statement to VCU Procurement (804-828-1077), DGS/DCLS buyers, and City of Richmond procurement, stating CSL is SWaM-certified for courier / medical transport (NIGP 962-86, 948-55).
- Recheck Chesterfield PInG / WebProcure and Henrico vendor profiles to reflect certification.
- Tell the AI engine — the weekly sweep will start flagging set-aside-eligible small purchases.
